Northlane Capital Partners ("NCP") makes control investments in North American middle market companies

- Based outside of Washington, D.C., our partners have worked together since 2003
- Currently seeking investment opportunities in middle market healthcare and business services companies with enterprise values of \$50-\$300 million

We target platform investments with:

- Minimum EBITDA of \$5 million (no minimum for portfolio company add-ons)
- Defensible market position
- Profitable operating history, high margins, and recurring revenue

Rapid, decisive, experienced execution

- Two Partners are staffed on each deal team, allowing for streamlined decision-making

Deep sector expertise in healthcare and business services

- Invested \$1.5 billion in 26 platform companies in the healthcare and business services sectors
- Extensive network of industry contacts, including current and former portfolio company executives and directors

**Control Buyouts
with Minimum
EBITDA of
\$5 million**
